Varsity Football

The willingness to work and the proper attitude was one of our strong points throughout the season, however we were in need of more clear cut lines of cummunication dealing with offense and defense.

A fine senior corps of Dave Hoerer, Roger Thiede, Dan Evol, Chuck Gallo, John Micelli, Al Sack, Pat Sullivan, Herb Staulcup, Mike Blazinic, Jerry Kurth, and Dan Noncek, led the way for our underclassmen and they can be justly proud that they have started us on the winning track.

I would like to thank the student body and the faculty for their support throughout the year. We all greatly appreciate it.

Freshman Football

Checking into the past history, this is one of the better win and loss records in the past 15 years. In the 6-2 record, all the wins were also shut outs. We had a good defensive group and more important was the fact that these kids wanted to play.

Generally speaking, we had good size and adequate speed for a Freshman team. I am sure that this group of Freshmen, if they stick together as a team will make many important changes toward the victory column at W.H.S.

Varsity Basketball

Presently, we have played more than half of our scheduled games. Even though our won and loss record is not too impressive at this time, we feel that we will do better in our remaining games. Basketball fortunes for the future years at Wauconda High appear to be very encouraging. We have several promising Juniors on our squad this year, and they along with a very fine group of Sophomores should make next year's team a very serious threat for top spot in our conference. We certainly will miss our graduating Senior team members next year and we hope that many of them will go on to colleges of their choices and continue their sports careers.

Sophomore Wrestling

The Sophomore Wrestling Squad for the 1970-71 season has been a squad which has had a great deal of desire and spirit.

Since the beginning of this years wrestling season, the team even though short handed has been able to wrestle opposing teams man for man, and most of the time beat them. Even though the final team score did not show this fine effort.

The Sophomore Christmas tournament held at Wauconda showed this fine effort as 5 out of 10 wrestlers entered placed in the tournament.

I certainly feel that all of the Sophomores on our team have made a contribution to our successful efforts.

In looking forward to next season, we can see a definite move to a more winning way, with the help of our fine freshman squad, who also have the desire and spirit to win.
